FOOTSTEPS2BRILLIANCE® Announces the Model Innovation City

\$5,000,000 Literacy Equity Grant Program

At the direction of **the White House** and their **Educational Excellence for Hispanics Initiative**, our partner districts are some of the first in the nation to create **Model Innovation Cities & Counties**.

Robust Early Learning

The Model Innovation City provides virtual universal preschool for birth through age 5 and citywide bilingual literacy for preschool through grade 3 children at **NO COST** to parents.

**A Social Justice
Approach to
Eliminating Illiteracy**

**A System to engage
your birth through
3rd grade community**

Based on proven research for spreading innovation, the Model Innovation City Program guides districts through a carefully-designed and phased approach for **Professional Development & Community Outreach**.

A model recognized by the White House Initiative on Educational Excellence for Hispanics

JOIN OUR MODEL INNOVATION CITY & QUALIFY FOR \$5MM IN GRANTS

Learn how your community can improve reading achievement for **ALL** of your children and students
