

OPERATION CATCH UP

Prepare Your Students for the Next Grade

Students have lost 3-14 months of academic learning due to COVID-19. (McKinsey report)

Footsteps2Brilliance® is the intensive solution to catch them up this summer.

Transform the COVID SLIDE into the SUMMER CLIMB with Footsteps2Brilliance
Easy for Teachers to Implement and Fun for Students and Families to Use

What's Included

- ✓ PreK – 3rd Grade curriculum
- ✓ Comprehensive English and Spanish Language Arts Units of Study
- ✓ Daily lessons with high-interest themes
- ✓ Synchronous and asynchronous learning opportunities
- ✓ Professional development for rapid deployment

ACCELERATE STUDENT LEARNING THIS SUMMER:

Comprehensive Standards-based English and Spanish Literacy Units prepare students for the next grade.

MAKE SUMMER LEARNING FUN:

Game-based methodology keeps students engaged.

ADVANCE WRITING AND CRITICAL THINKING SKILLS:

Writers' workshops provide authentic assessment of student learning and enable them to author publish-worthy books

ENGAGE FAMILIES:

The Footsteps2Brilliance Digital Mobile Platform provides access to the program on the smart phones and devices that families already own.

REDUCE TEACHER STRESS:

Turn-key units provide everything a teacher needs to jump right into summer school.

DATA INFORMED INSTRUCTION:

Comprehensive data dashboards create personalized instruction for students and inform teachers and parents with measurable results.
