Effective Next-Generation Tools and Strategies That Deliver Results

Have you invested in digital tools that don't align with your ELA core curriculum? Disjointed tools complicate learning and limit your return on investment. We empower teachers by aligning digital lessons, assessments, and after-school activities with your core. This coherence is the future of education.

- ✓ Align curated content to your ELA core
- ✓ Pre-teach content effectively
- ✓ Provide bilingual English-Spanish support
- ✓ Engage families actively
- ✓ Address root causes of learning gaps
- ✓ Ensure kindergarten readiness and third-grade reading success

OUR BILINGUAL ECOSYSTEM

PROFESSIONAL LEARNING

Science of Reading

BE THE **CHAMPION** IN YOUR COMMUNITY

Uniting Communities with Citywide Literacy Innovation

Our turn-key **Model Innovation City™** license creates a citywide network focused on building literacy success by addressing root causes.

This unique collaborative impact model mobilizes all your stakeholders: parents, schools and community based organizations.

RESULTS*

3X
Gains

*National data from the 2023-24 Growth Score Report™ showed that students who used Footsteps2Brilliance for just 45 minutes a week tripled their literacy scores.

Unlock Brilliance: Every Child, Every Step, Everywhere

BUILD TOMORROW'S SUCCESS TODAY

Dr. Barbara Nemko,
*Superintendent,
Napa County Office of Education*

"Footsteps2Brilliance is a breakthrough program that has the potential to transform public education."

Dr. Diego Ochoa,
*Superintendent, San Manteo-Foster
City United School District*

"One of the most powerful components of Footsteps2Brilliance is my ability... to pull a report every day that tells me who is using the program...how much stamina they have in the program, and then what their comprehension is at the end of the use of the program."

Dr. Libby Doggett,
*Former Deputy Assistant Secretary of Policy and
Early Learning, US Department of Education*

"Finally a tech app that engages and teaches young children"
